## Editorial profile

**Food Review** has been the industry mouthpiece for the past 44 years. Incorporating **Beverage Review** and **Packaging Review**, the journal is more comprehensive, relevant and valuable than ever.

The journal is the only one of its kind in the country to target decision makers in the manufacturing processes of food, beverages and, related industries. It offers incisive and authoritative reports on all aspects of the process, from raw material sourcing, to manufacturing and packing, right down to the distribution and marketing of finished goods.

**Food Review** informs readers about the introduction of new ingredients, equipment, products and packs, and provides objective commentary on local and international market trends and issues, as well as significant processing and packaging technologies.
